

Key for compostable:

	Lettuce		Leaves
	Broccoli		Paper
	Strawberry		Cotton
	Carrot		Nutshells
	Eggplant		Wood
	Banana		Cardboard
	Potato		
	Apple		
	Orange		
	Grass		
	Flowers		

ALL COMPOSTABLE!

Food that is grown like vegetables and fruits, paper, nutshells, wood, cardboard, leaves and cotton clothes are compostible!

	Meat
	Fish
	Bread
	Cookies
	Butter
	Milk
	Cake
	Poo
	Cheese

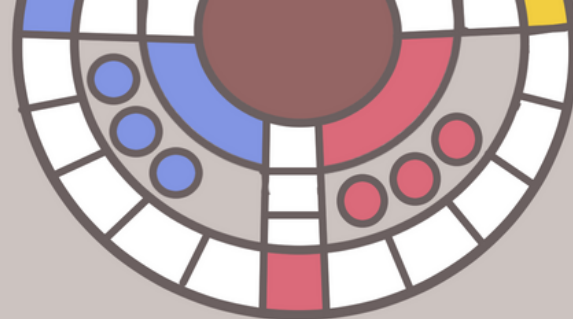

Eggshells

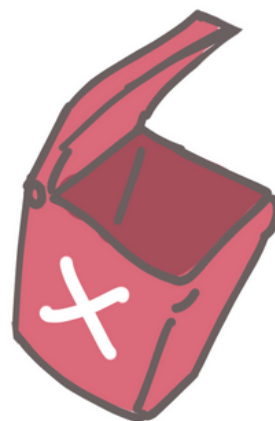

Eggshells are special because they are compostible but have to be washed before they are composted. They can carry sicknesses that are bad to eat otherwise.

NOT COMPOSTABLE

Meat, fish, dairy, sweets and poo are not compostible! These things are not good for your garden.

Composting The Game

How to Play!

1. Start on Go! and move one piece at a time.
2. Spin the spinner and move in the direction of the arrow. 
- 3a. If you land on a spot with something that can't be composted, return to the spot you were at. 
- 3b. If you're on something that can be composted, you can stay! 
4. When you land on a Go! you can enter a win line. Only one person can be in a win line at a time.

5. When all three of your pieces have made it to win, you've won! **WIN!**
